## Hair Tissue Mineral Analysis Workshops/Clinics Webinar (Results) Dates:

10/10/17 (5pm PST/7 pm CST/8 pm EST) (Lauren)  
12/9/17 (9 am PST/11 am CST/Noon EST) (Valerie)  
1/16/18 (5pm PST/7 pm CST/8 pm EST) (Lauren)  
2/3/18 (9 am PST/11 am CST/Noon EST) (Lauren)  
3/13/18 (5pm PST/7 pm CST/8 pm EST) (Lauren)

- I. What is Hair Tissue Mineral Analysis Testing? A simple, non-invasive but VERY detailed test that is an indicator of mineral status, heavy metal toxicities, bone health, protein status, hormone function, cognitive function, etc. Knowing these levels can help determine how your current health and lifestyle (exercise, food, stress, exposures, beauty, etc). regimen is affecting you and those you care about. Hair tissue is an earlier indicator than blood for many markers and is vital in prevention and achieving your best life!
2. Participants will need to call our office @ 847-985-1200 to provide demographic information and credit card information to register for the workshop and receive the hair testing kit at least 3 weeks or more before the workshop date so their personal results will be back.
  1. The **\$189.00 registration fee** is due when you call the office for the kit. This includes a copy of your results and a follow up "group appointment" by webinar or phone on you assigned date.
  2. Please refer to (pink) instruction card on hair test kit for instructions. Please make sure hair is free from any hair color treatment for at least 3-4 weeks, (cut hair close to the scalp in one or two spots - more is not necessary). Don't hesitate to call the office if you need assistance.
  3. It's takes approximately 1-2 weeks for the results to come back. Be sure the lab receives your hair samples no later than **2 weeks before each clinic workshop**.
  4. The group webinar appointment is scheduled on a Wednesday at 5:00 pm (PST)/7:00 pm CST or a Saturday at 9:00 am (PST) /11:-00 am (CST). There are no cancellations or refunds for any reason. \*\*\*  
**Please note - if you are unable to attend the scheduled workshop or your results have not come in, you are welcome to attend the next one.**

5. This is a huge opportunity. Hair Analysis Testing alone cost \$109.00 and an initial visit to be a new patient is \$499.00. There is a total savings of \$429.00 per person.
6. Please go to [www.nutritionconnectionbalance.com](http://www.nutritionconnectionbalance.com) for more information about NCB, Valerie Early, RD, RPhT and Lauren Chaves, MS, RD, LDN. Review our “What We Treat” section on the website to see a list of some the symptoms and issues that we treat within our practice. Please refer anyone you know or care about that is struggling with their health, energy and happiness!

**9. Important!** The OTC supplements at Nutrition, Connection, Balance (NCB) are used and brought in due to my verification, my food science degree and MOST importantly they have shown the clinical effectiveness with thousands of patients, so if you do have issues with levels or your body is unresponsive to something we know it is not the supplement but that your body needs a different dose or therapy to achieve balance. Therefore, we strongly advise you order any recommended over the counter supplements (except Juice Pus-order from the person that introduced you to it) directly from Nutrition Connection Balance/NCB at 847-985-1200 after the results/webinar for your individualized deficiencies/in balances. \*\*\*Approximately 79% of over the counter (OTC) supplements on the market today do not contain the ingredients that are listed on the label, they are not absorbed effectively, by a human or contain contaminants and ingredients you do not want in your body. Please ask for your free copy of our “Supplement Guideline” sheet.
